

COMPANY PROFILE

ABOUT EDELWEISS

Established in 2020, EMS is a trusted global partner in the yachting industry, serving luxury yachts across the Mediterranean and the Red Sea. With an international presence, we deliver comprehensive, turnkey solutions including yacht management, refit and project management, crew recruitment, medical and first aid supply, flag registration, training and certification, provisioning, technology security, yacht brokerage, and maritime sports event organization.

Driven by excellence, precision, and trust, EMS is committed to sustainability and innovation, aligning its operations with the United Nations' Sustainable Development Goals and integrating eco-conscious practices and smart technologies across all services.

Always by your side, we build long-term relationships by providing reliable, tailored support to the global yachting community.

MISSION & VISION

Mission

At EMS, our mission is to deliver bespoke yacht and superyacht management and refit solutions with a focus on safety, operational excellence, and regulatory compliance, while providing seamless, sustainable services and exclusive maritime and sporting events across the Mediterranean and the Red Sea.

Vision

At EMS, our vision is to lead the luxury yacht and superyacht management sector by setting new standards in safety, sustainability, and innovation, while delivering exclusive maritime and sporting events across the Mediterranean and the Red Sea.

VALUES

Our values define how we operate, train, and deliver excellence across all maritime services.

Excellence

International Maritime standards and world-class event delivery

Integrity

Safety & Compliance at every stage

Transparency
